#### MAIN INTERESTS

Labour Markets; Stratification; Economic Sociology; Migration; Gender; Political Sociology; Quantitative Methods; Field Experiments; Discrimination

*Recent research:* New epidemiological methods to estimate the exogenous impact of cultural traits on economic and political behaviour using migration as a source of identification; institutional and economic determinants of immigrants' labour market performance across European countries; patterns of motivational selectivity of international migrants in Europe; estimating ethno-racial discrimination in hiring in Europe using field-experiments; developing a software infrastructure for online field-experimental research; the neurological basis of racism and other extreme forms of social categorization.

---

#### ACADEMIC QUALIFICATIONS

2001	D Phil (PhD) in Sociology, University of Oxford.
2001	Doctor member of the Juan March Institute. Centre for Advanced Study in the Social Sciences, Juan March Institute of Study and Research, Madrid
1996	Master of Arts (M Phil) in Social Sciences, Centre for Advanced Study in the Social Sciences, Juan March Institute of Study and Research, Madrid
1993	BA ( <i>licenciatura</i> ) in Political Science and Sociology, Complutense University of Madrid

---
